SOMETIMES, SOMETHING NEW COMES ALONG THAT REDEFINES EVERYTHING...

Situated on levels 4 and 5 of the Science Museum, Illuminate is a progressive new venue designed to both anticipate and surpass the needs of the ever-evolving events industry.

Level 5 features a panoramic window offering stunning views of the City, as well as original architecture, intelligent zoning through fabric dividers and specially designed pendant lights.

Level 4 allows clients to take full advantage of the latest LED technology and integrated production in a darker space ideal for presentations and drinks receptions.

Illuminate can host up to 400 for conferences and dinners and 450 for drinks receptions. The space features state-of-the-art audio-visual capabilities from our partners White Light and first-class catering from our partners Moving Venue. The venue also benefits from high speed Wi-Fi.

Both levels offer a complete technology solution including:

- Twin 3m 16:9 edgeless projection screens that can be positioned in multiple locations
- Twin 13,000 Lumen projectors featuring the very latest laser engines for unparalleled colour reproduction
- 84" LCD Screens on custom built stands that allow for portrait and landscape orientations

- A two stage audio system comprising a discreet ceiling-mounted array for background music and speeches, or a larger directional PA system for presentations and performances
- A dedicated streaming engine with broadcast quality remote control cameras for direct streaming to social media platforms
- Integrated LED lighting, atmospheric colour options and dramatic lighting looks
- State-of-the-art Crestron NVX control system allowing audio and video to move seamlessly between the two floors

In addition Illuminate's entrance lobby features LED walls that allow for branding and visual playback, creating an impact for your guests from the moment they arrive.

The integrated system is designed with flexibility in mind and fully supported by our in-house sales and technical teams as well as one of Europe's largest production resources, experienced in delivering innovative and creative solutions.

White Light have equipped Illuminate with the very latest audio-visual technology. The focus is on a flexible infrastructure and key equipment that enables complete control of the environment and a flawless experience.

WHITE LIGHT

TESTIMONIALS

'Guest feedback was extremely positive across the board from all our different audience groups. The food from Moving Venue, audio and visual production from White Light, that view across London and the feeling of space all added to the success of the event. The staff shared their expertise and really worked in partnership to make sure our event ran smoothly.'

ROYAL OSTEOPOROSIS SOCIETY, MARCH 2019

'The team at the Science Museum really made the event planning extremely easy for us. We appreciate how helpful and communicative you have been. A pleasure to work with and Illuminate was incredible. Thanks again and will be in touch if we decide to do this again in 12 months' time.'

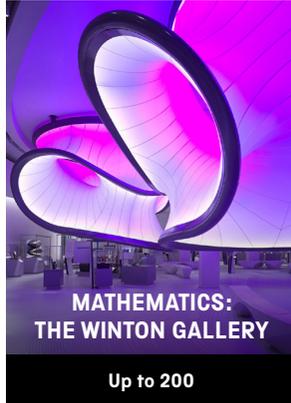

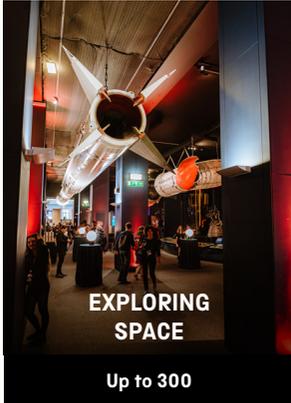

CLEAR CHANNEL INTERNATIONAL, MARCH 2019

'Thank you for all your incredible help and support in the lead up to the event and on the day itself. Thank you so much for all your input and for managing countless queries and dealing with constant changes and demands from exhibitors. We really appreciate your support and high attention to detail and really could not have pulled this off without you.'

WILLIS TOWERS WATSON, JANUARY 2019

Enhance your event by hiring one of our Science Museum galleries. With 13 event spaces including amazing exhibitions, astounding galleries and creative blank canvas spaces there are a range of options to compliment your hire of Illuminate. For events with up to 1500 guests, choose from the stunning backdrop of Making the Modern World for dinners, out-of-this-world receptions in Exploring Space or our fully interactive Wonderlab: The Equinor Gallery. Combine your hire of Illuminate with one of our Science Museum galleries to take your event to the next level.

ENHANCE YOUR EVENT

Located in South Kensington, the museum is ideally situated with easy access via public transport, as well as options to arrive by car or coach.

If you have any questions about how to get to the museum or any special requests, please get in touch and a member of the team will be happy to help.

ARRIVING BY TUBE

The nearest tube station is South Kensington. This is on the District, Circle and Piccadilly lines and is a 5-minute walk from the Museum. A pedestrian subway connects South Kensington station to our main entrance.

ARRIVING BY CAR

The nearest pay and display car parking is in Prince Consort Road and Queen's Gate.
